Vehicle return and pickup is possible at locations that are listed each time in the application **as part of the .GO Rent service**.

For vehicles with **internal combustion engines**, the fuel policy is "**full to full**" – meaning the vehicle must be returned with the same amount of fuel as it had when picked up.

If the rented vehicle is returned with less fuel than at the time of pickup, in addition to the cost of the missing fuel, a **handling fee of 10.00 €** will also be charged. The cost of missing fuel is charged at a fixed rate of **1.70 € per liter**.

*The daily mileage limit is 200 kilometers. **Every additional kilometer above the limit** is charged according to the Price per additional kilometer **in the price list**.

The reduction of damage liability within the .GO Share service does not apply to rentals under the .GO Rent service.
